## **HH Architecture Selected as Pinnacle Business Award Winner for Steady Growth and Profitability**

**Local Architecture Firm Recognized by the Greater Raleigh Chamber of Commerce**

May 20, 2009

HH Architecture was selected as a 2009 recipient of the Pinnacle Business Award for Steady Growth and Profitability. The award is given by the Greater Raleigh Chamber of Commerce to recognize businesses that have demonstrated financial strength and profitability during challenging economic conditions.

HH Architecture was recognized at the Chamber's annual Pinnacle Awards event on May 19, 2009 at the Raleigh Convention Center in downtown Raleigh. The full service design firm was founded in 2005, and has expanded each year to a current staff of ten. Notable projects include the master plan for the North Carolina State Fairgrounds, the Academic Redevelopment at Fayetteville Technical Community College, and the Sanderford Road Neighborhood Center in Raleigh.

"We are pleased to receive the Steady Growth and Profitability Award from the Raleigh Chamber," said Kristen Hess, principal of HH Architecture. "Our commitment to customer service and our dedicated, talented staff are the foundations of our success."

About HH Architecture:

HH Architecture is a design firm focused on creating spaces that promote learning, wellness, and recreation. We are committed to improving the community through conscientious, responsible design. We are accredited professionals in Leadership in Energy and Environmental Design (LEED), and have extensive experience with design that minimizes waste and uses resources wisely.
